# Internal Audit

Devon Audit Partnership (DAP) provides a professional and comprehensive Internal Audit service. We distinguish ourselves through our detailed understanding and appreciation of the challenges facing our clients today.

We provide tailored services at a competitive cost with a thorough understanding and knowledge of your business needs, culture and operations. Our aim is to work with you to support your goals, providing innovative services that offer high quality and value. The quality and calibre of our teams is a key strength and the professionalism, dedication and high standard of our people will make you want to do business with us time and time again.

We work across a range of public sector clients including Local Authorities, National Parks, Blue Light Services, Education, Port Authorities and Pension Bodies.

## Our clients say:

Excellent efficient and professional staff.

The audit was delivered with complete professionalism backed by a high level of subject knowledge and an evident passion and commitment to improvement. Very much a partnership effort with understanding of our agenda and the key areas for improvement that will elicit maximum added value was very welcome and constructive at all times.

The audit provided suggestions that will help shape the service in the future.

---

As a not for profit organisation we are very competitively priced and we would welcome the opportunity to discuss how we can meet your needs and add value through the provision of Internal Audit Services.
